

TIPS AND INSTRUCTIONS

STORYBOARD

Tell your story about the future by using comics/storyboard style to narrate it. Tell your scenario in a visual narration.

**01** Re-read the scenario and the description of the future persona.

**02** Break down the main elements of your story and what do you want to narrate ( what is your focus? what idea would you like to showcase?)

**03** Create a template. Draw a series of rectangles similar to the comics magazines.

**04** Add the script under each rectangle, write the line of script or dialogue that corresponds to each scene.

**05** Sketch out the story.
